## **FINAL RESULTS OF THE SIXTH ROUND OF HEALTH CARE UNIVERSAL TESTING**

We are grateful to God that we had no positive COVID-19 test results from our universal Health Care testing administered on September 2. The results are as follows:

- 210 tested negative
- 0 tested positive

## **SEVENTH ROUND OF HEALTH CARE UNIVERSAL TESTING**

On September 9, 2020, over 200 Fairmount Health Care residents and team members were tested for COVID-19. The results are pending.

## **BENEFIT AUCTION & CHICKEN BARBECUE**

In past Septembers, Fairmount became a destination for thousands of people to enjoy food and fellowship and bid on items at Fairmount's Benefit Auction and Chicken Barbecue. This year, scores of people will not be descending on our campus, due to the pandemic in which we find ourselves. This year, the auction has gone online and the chicken barbecue has moved to two off-campus locations, New Covenant Mennonite Fellowship on Farmersville Road in New Holland and E. K. Martin & Sons on Wissler Road in Lititz. Hopefully, you are able to bid on auction items and are able to get a drive-thru meal this Saturday. The auction has a staggered ending with bidding closings between 6 pm and 8 pm on September 11. The drive-thru chicken barbecue is Saturday, September 12 from 10 am until we are sold out. All proceeds from the Auction and Chicken Barbecue support Fairmount's benevolent program called the Sharing Fund. Thank you for your support of Fairmount's mission to enrich the lives of those we serve.

## **PERSONAL CARE TO ENTER PHASE 2 OF REOPENING**

Wheat Ridge Personal Care and Farm Crest Personal Care moved into Phase 2 of reopening on September 8. Group activities are now increased to a maximum of ten and scheduled in-person outdoor visitation will start soon.

## **HEALTH CARE & PERSONAL CARE VIRTUAL FAMILY MEETING**

Fairmount will hold a virtual family meeting for the families of our Health Care and Personal Care residents on the evening of September 22. This will be a time for loved ones to connect, ask questions and share ideas about how to stay connected. More information will be sent to Health Care and Personal Care residents' families in the near future.
