GENERAL INFORMATION

Daily Rates: Daily residents' rates are determined by the type of care required at the time of admission and the doctors' orders. Rates may be adjusted at any time depending on the resident's physical and/or mental condition and the resulting required change in level of care.

Room Furnishings: All rooms are fully furnished in the Wheat Ridge Health Care and Personal Care areas. However, residents are encouraged to bring a favorite personal chair with them upon residency. Radios and disc players are permitted. Certain musical instruments may be brought with permission from Administration. Space is available for the storage of a chest or wardrobe, if desired. Residents may bring additional personal belongings as space permits with the emphasis placed on safety and neatness of living space. Television is permitted on the Farm Crest campus only, but not in the common areas. Cable connection is available at Farm Crest at the resident's own expense.

Clothing: Residents bring their own personal clothing with them when they move to Fairmount. In keeping with Fairmount's tradition, we would request that residents dress modestly.

Tobacco and Alcohol: The use of tobacco, alcohol or narcotics in any form is strictly forbidden, except for medical reasons.

Valuables: Fairmount Homes and its staff cannot be held responsible for any valuables (money, jewelry, watches, etc.) left in residents' rooms. Such items should be left with a family member or placed in the Administrative Office safe for security.

Persons making application to Fairmount must agree to the following terms and conditions:

1. I agree that upon residency at Fairmount, I will be subject to all rules and regulations with respect to Fairmount as formulated either by the Administration of Fairmount or by the Board of Directors. As a Fairmount resident, I agree that disregard for such rules and regulations shall be considered a basis for my dismissal.

2. I understand that the daily rate includes room, board, and care as stated on the current rate sheet. I further understand that at times, additional charges may incur due to special care needs above and beyond those considered normal. All rates are subject to change by decision of the Board of Directors of Fairmount.

3. In accordance with Fairmount's regulations, I agree to present any required statements and reports from my personal physician regarding my physical condition on the forms provided by Fairmount prior to admission.

4. Resident and the Responsible Person agree that they will exercise their authority with respect to Resident's assets and financial resources in such a manner as to insure that those assets (except incidental expenditures) are used solely for the benefit, care, and maintenance of Resident as long as this agreement remains in effect.

5. All financial information provided to Fairmount Homes and governmental authorities has been true and correct. Fairmount may request periodic updates on financial information and may require documentation of assets indicated on the financial statements.
