## **COVID-19 TESTING**

Fairmount team members, volunteers and residents in Health Care and Personal Care tested for COVID-19 this week. The results were as follows: 248 negative results and 1 positive result. The positive result came from a direct caregiver who will quarantine at home before returning to work.

## **IN-PERSON VISITATIONS FOR MOUNTAIN VIEW HEALTH CARE IS SUSPENDED**

Due to the positive result of a Health Care caregiver this week, in-person visitation for Health Care residents was suspended. Mountain View visitation will be suspended until we have two consecutive weeks of testing with no positive results. Visitation in Valley View and Rehab will resume on Saturday, March 27. Personal Care visitation continues without changes to visiting hours and guidelines. Visiting guidelines can be found at [FairmountHomes.org](http://FairmountHomes.org).

## **VACCINATIONS FOR RESIDENTIAL LIVING & TEAM MEMBERS**

Stauffer's Pharmacy will be at Fairmount for their second COVID vaccine clinic on April 1. They will be administering the first and second doses of the Moderna vaccine.
