

# FAIRMOUNT COVID-19 PREVENTION AND PROTECTION UPDATE

April 2, 2021

---

*Dedicated to Faith, Family & Community*

---

## **COVID-19 TESTING**

Fairmount team members, volunteers and residents in Health Care and Personal Care tested for COVID-19 this week. The results were as follows:

- 259 negative
- 1 positive

The positive result came from a direct caregiver who is quarantining at home before returning to work. This will not change the current visitation status and schedule.

## **VACCINATIONS FOR RESIDENTIAL LIVING & TEAM MEMBERS**

This week, Stauffer's Pharmacy held a COVID vaccine clinic at Fairmount to administer first and second doses of the Moderna vaccine for Residential Living residents and Fairmount team members. They will be returning to Fairmount to administer second doses of the vaccine on April 29.
