

FAIRMOUNT COVID-19 PREVENTION AND PROTECTION UPDATE

November 18, 2022

Since our last update on September 23, we have experienced the following additional COVID cases throughout our community.

RESIDENTS:

- Health Care: One resident tested positive and is currently quarantining.
- Rehab: One resident tested positive and completed quarantine.
- Wheat Ridge Personal Care: No residents tested positive.
- Farm Crest Personal Care: One resident tested positive and completed quarantine.
- Farm Crest Residential Suites: No residents tested positive.
- Residential Living: Eight residents tested positive. One case remains active while the other seven residents have completed their quarantines.

TEAM MEMBERS:

- 10 Team Members have tested positive. Only one case is active. The others have completed their quarantines.

Fairmount Team Members are only testing when they are symptomatic. Residents in Health Care and Personal Care will test only if they are symptomatic or if a resident or Team Member tests positive.

VISITATION INFORMATION

If you are feeling well, you may continue to visit with residents in Health Care and Personal Care. Please follow the **infection prevention guidelines** available at the main administration entryway.

The preferred visitation times are 10am to 7pm, daily.

VACCINATION OPPORTUNITIES

Obtaining the vaccine and, if you have the vaccine, getting the booster is highly recommended. Anyone who would like to obtain the vaccine or the booster, can register for one of Fairmount's vaccine clinics:

- December 6, 2022, in the Chapel from 2pm to 2:30pm (flu shots, as well)
- January 3, 2023, in the Chapel from 2pm to 2:30pm (flu shots, as well)

Please call the receptionist at 717.354.1800 to schedule a vaccine or booster.

In addition, WellSpan Ephrata Community Hospital is offering COVID vaccination clinics. Please call 1.855.851.3641 to schedule a vaccine.
