

# FAIRMOUNT COVID-19 PREVENTION AND PROTECTION UPDATE

September 23, 2022

Since August 26, we have experienced additional COVID cases throughout our community.

## RESIDENTS:

- Health Care: No residents tested positive
- Rehab: No residents tested positive.
- Wheat Ridge Personal Care: 12 residents tested positive. All residents have completed their quarantine.
- Farm Crest Personal Care: No residents tested positive.
- Farm Crest Residential Suites: No residents tested positive.
- Residential Living: One known positive resident. This resident completed their quarantine.

## TEAM MEMBERS:

- 13 team members have tested positive. These team members have either completed their quarantine or are currently quarantining.

Testing of Fairmount team members not up to date with their vaccinations/boosters continue weekly. Residents in Health Care and Personal Care will test only if they are symptomatic or if a resident or team member tests positive.

## VISITATION INFORMATION

If you are feeling well, you may continue to visit with residents in Health Care and Personal Care. Please follow the **infection prevention guidelines** available at the main administration entryway.

The preferred visitation times are 10am to 7pm, daily.

## VACCINATION OPPORTUNITIES

Obtaining the vaccine and, if you have the vaccine, getting the booster is highly recommended. Anyone who would like to obtain the vaccine or the booster, can register for one of Fairmount's vaccine clinics:

- October 11, 2022, in the Chapel from 2pm to 2:30pm (flu shots, as well)

Please call the receptionist at 717.354.1800 to schedule a vaccine or booster.

In addition, WellSpan Ephrata Community Hospital is offering COVID vaccination clinics. Please call 1.855.851.3641 to schedule a vaccine.
